Directions

You must circle the core classes that you intend to take, and write in the electives. Please provide us with 3 alternate electives in case an elective does not fit. Along the left hand side is an optional section you can use to calculate weekly homework totals. We recommend you do this. In our curriculum guide, located at counseling.zps.org, you will find course descriptions of every class, including homework load. Students interested in taking an online class or “testing out” of a class will need to consult their counselor. Test out applications are available on our website.

Please give us 3 Alternates: _____

Important: Please check any box that applies. This form must have a parent signature to be considered complete.

[] Check this box if you are signing up for zero hour Jazz Band.

[] Check this box if you will be in the Spanish Immersion Program.

[] Check this box if you intend to take PE 9/Health this summer. This program fills up quickly, so it is highly advised that applications be turned in with this form. Applications are available at counseling.zps.org under links and form. The class will cost \$150.

*Students who have taken and passed PE9/Health in the middle school, or those that will take it this summer, will not need to take it. They can cross out PE 9/Health and choose another elective.
